Financial Report as of 31 Oct 2021

About

XRUK is a movement without legal form. [Compassionate Revolution Limited](#) (CRL) is a not-for-profit and wholly owned subsidiary of [Climate Emergency Action Ltd](#) (a company limited by guarantee) and acts as a service company to parts of the movement. The following is a brief report by the CR Finance Team and attempts to summarise some key metrics to support XRUK's decision making.

**** Specific Reserves:** CRL accounts on a cash basis and hence there will be a lag effect (i.e. budget allocated but not yet claimed and/or paid). Finance makes a reserve for large committed (but not yet spent) items and also includes a provision in this adjustment figure for uncertainties (e.g. an estimate for rates due on our London office and warehouse to the London Borough of Hackney, a provision for corporation tax etc.)

***** General Reserves:** On 30 October 2020 XRUK's Interim Budget Group agreed a Finance proposal to make a general reserve against regular monthly expenditures equivalent to 3x monthly costs (and 1x for Volunteer Living Expenses which are not guaranteed).
